

Sheeri B. Kahn

Sheeri B. Kahn is an Associate Attorney who practices in the Trusts and Estates department of Mesch Clark Rothschild.

Sheeri graduated from the University of Arizona with a bachelor's degree in public administration (criminal justice major) in 2003. After working as a paralegal for seven years, Sheeri decided to pursue her law degree. She attended Gonzaga University School of Law and received her JD in 2013. While at Gonzaga University, she interned in the University's Elder Law clinic, representing clients in matters ranging from simple estate plans to Social Security Administration appeals. She spent many hours volunteering for SpokAnimal C.A.R.E., the local animal shelter, which formed a pathway for greater involvement with and in the Spokane community, while comforting and helping the local homeless animals find their forever homes.

Sheeri has over 20 years of experience working in Trusts & Estates. Her focus includes estate planning and tax planning. Sheeri hopes to continue to expand her practice areas within the firm.

Sheeri is a native of Tucson. She is passionate about animal welfare and hopes to one day change the laws regarding animals and their status as property. Sheeri enjoys spending time with her family, friends, and her beloved pets, cooking, working out, and gardening.
